

Lakewood Lutheran School Dress Code

PURPOSE OF HAVING A DRESS CODE:

Student dress is primarily the duty and responsibility of the parents, yet is also a valid concern of the school environment. Parents are encouraged to provide acceptable options within the code for children as they select what they wear. All clothing worn should be clean, neat, not faded, and in good repair. Therefore, the following are some reasons for deciding on a dress code for our students:

- a. To eliminate worldly competition as expressed through clothing. (John 17:16)
- b. To present an attractive appearance that is pleasing to the Lord. (2 Cor. 5:17)
- c. To diminish socio-economic distinctions through clothing. (Proverbs 11:2)
- d. To eliminate drawing attention to one's self through extremes in style. (1 Peter 3:4)
- e. To avoid immodesty. (1 Cor. 8:9)

At all times, students will be expected to maintain LLS's high standards and to exhibit self-control in areas of personal cleanliness, neatness, and overall physical appearance. The dress code is in effect for all school days and related school events (field trips, etc.) unless notified otherwise.
